Normally, at this time of the year we'd be talking about the spring weather, yard work or the upcoming golf season, but the last two winter storms still have left me feeling like it's still the middle of winter. So rather than dream of warmer days to come, or feel resentment for all my friends basking on some tropical beach during spring break. I thought I'd take a second to peruse the internet and find out just how many of our Greendell Park Community Centre teams made it to their respective Championship league games.

I realize that many of us Greendell parents have children competing under various other club or team names. Over the years my son has played hockey in a Glenlee, Greendell, Norberry and Dakota Jersey. So I'm well aware many that many of our Greendell athletes may have made it to the finals just not in a Greendell uniform. But for argument sake I was just looking for only those teams that made it to the finals in our club's uniform.

When you really think about how many teams compete in all of the various sports and all the various age groups it's quite an accomplishment to make it to that all important championship game.

So here it is a list of those very special few that wore the Greendell Park uniform with pride and competed for the grand prize and the chance to be "City Champions" for a year.

Greendell lost a close fought battle to their arch rivals Tyndal Park, congratulations on a terrific season and a job well done.

A Flood of Goodwill Flows a Long Way

Our Greendell catchment area is bordered by the ever rising Red River and while the floodway has pretty much taken the worry out of a serious flood threat for most of the us living inside the Perimeter Highway, we have several members that reside south of the Perimeter Highway.

A few of these home owners, some of which are very active Greendell Park Community Centre members, will be sand-bagging over the next few days in order to protect their properties. You might want to call your friends who live in this area to see if they need any assistance.

It's a great feeling when you volunteer a little time and effort in order to help out a friend. So spread some goodwill and shore up a friendship and a dike at the same time.

Greendell Mission Statement

Our goal is to provide affordable, quality programs for all ages; equal access and participation; and a safe enjoyable environment.

We will strive to be sensitive to the expectations of members and residents; and open and accountable in our administration.

We encourage active participation by our members as volunteers.

We advocate Fair Play.
