The Falcon E-News KidSport™ Helps Manitoba Kids

KidSport™, a children's charitable program, was initially established in 1993 by Sport BC. The conception of KidSport™ was due to recognition that barriers including the rising costs for sport registration fees and equipment were negatively affecting children's participation in sport, especially kids from challenging backgrounds. KidSport™ believes in the fundamental values and benefits that sport provides.

Mission Statement:

KidSport™ believes that no kid should be left on the sidelines and all should be given the opportunity to experience the positive benefits of organized sports. KidSport™ provides support to children in order to remove financial barriers that prevent them from playing organized sport.

KidSport™ has since developed throughout Canada and currently operates in 173

local community volunteer chapters in 11 provinces and territories.

A donation to KidSport™ is an investment in Manitoba. As little as \$200 can provide a child a season of sport. Donations help kids develop healthy lifestyles, stay physically active, and learn valuable life lessons and skills through sport.

KidSport™ benefits from the generous support of individuals and organizations. To make a financial donation, apply for funding or to learn more about the program log on to:

www.sportmanitoba.ca/programs/kidsport.php
and follow the links or you can contact them at:

KidSport Canada - Manitoba

Phone (204) 926-8351

Remember that all funds raised in Manitoba stay in Manitoba.!

Help Your Old Equipment Find A New Home

If a cash donation to KidSport™ is not in your budget consider donating some new or gently used sporting equipment. They have several drop-off bins throughout the city. Please note that for hygienic reasons they cannot accept used jerseys, shorts, shirts, socks (including hockey socks), jockstraps, jillstraps, mittens, toques and hats.

Donations of equipment can also be dropped off at the following Winnipeg locations:

River Heights Community Centre 1370 Grosvenor Ave. (at Oak St.)

Allard Arena 80 Allard Avenue

Gateway Recreation Centre 1717 Gateway Rd.

Greendell Mission Statement

Our goal is to provide affordable, quality programs for all ages; equal access and participation; and a safe enjoyable environment.

We will strive to be sensitive to the expectations of members and residents; and open and accountable in our administration.

We encourage active participation by our members as volunteers.

We advocate Fair Play.

The Falcon E-News Needs Some Forward Thinkers

We currently build our emailing list from the registration cards from both the spring and fall registrations. The problem is many people neglect to fill in an email address on their registration cards while other members, within our catchment area, no longer have children enrolled in Greendell programs. We tend to think of our Greendell Park Community Centre as just a sports facility, and while the sports programs certainly make up the majority of what we offer the community, it is by no means all we offer. This makes it important for the Greendell Park Community Centre to communicate with every member possible.

But how do we go about getting the Falcon E-News in front of everyone in our community? We could print and deliver a copy to every home within the catchment area but it becomes a costly and time consuming endeavor. An alternative to the door to door delivery idea would be to solicit the help of ... YOU ... our members who currently receive the Falcon E-News.

What if we asked you to simply forward this newsletter on to a friend, family member, neighbour, fellow church member or teammate who lives within our catchment area. You could include a short note explaining what the newsletter is all about and let them know if they would like to continue to receive the newsletter on a regular basis they only have to contact the community centre and request that they have their email address added to our list.

So how about lending a hand (and a quick click of a mouse) and become a forward (an email) thinker or better yet a forward (an email) doer. It's the easiest volunteering you could possibly do. So forward away, Greendell supporters, it's all for a good cause.
