Your Community Club Needs You

We currently have several positions open that we require volunteers and community minded people to step forward and assume. Most positions require very little commitment and or time and often revolve around a sport your son or daughter is currently involved in. We would ask that you take a second to look over the following list of open positions and volunteer to help out. If your worried that you may not be able to devote that much time to the position then consider sharing the duties with your spouse, neighbour or a close friend. The more people assigned to a task the easier the job is to complete. There are job descriptions which outline your duties and who you report to as well as lots of friendly advice from former volunteers. So how about it ... sign up to volunteer and feel good about helping out the youth of our community and your Greendell Park Community Centre

After several years of devoted service to the club Gabrielle Marrin has expressed a desire to step down as club Treasurer. The board will need to fill the vacant position as soon as possible. Gabrielle has agreed to stay on until such time that a suitable volunteers can be found to replace her. She has also volunteered to provide coaching and assistance for a short interim period after a new Treasurer has been appointed in order to provide a smooth transition and a proper on boarding experience for her successor.
